

Sponsorship Form

For the second year in a row, the **S.M.A.R.T. FLL Robotics** team from Stamford, CT has won the coveted Director's Award at the Connecticut State FLL Championship tournament. As a result, the **S.M.A.R.T.** team will compete as Connecticut state champions with 80 other state and regional champions from 30 different countries at the FLL World Festival in April, 2006. This tournament will be held at the Georgia Dome in Atlanta, Georgia (a 70,000 capacity arena) on April 27-29, 2006. Last year the **S.M.A.R.T.** team brought home three awards from the World Festival.

This year, in addition to competing at the World Festival, the **S.M.A.R.T.** team is also coaching and mentoring two Junior FLL teams (for ages 6-9 years) in Stamford. One of these teams will exhibit their work at the World Festival.

Your sponsorship will help us, the **S.M.A.R.T.** team, make this coveted trip to Atlanta. In addition to a \$1000 registration fee and supplies needed for the competition we have to pay for our travel, boarding and lodging there. We will also be raising funds to take our Junior FLL team – the **SMARTys** – with us to Atlanta.

If you are interested in supporting these engineers of tomorrow, please make checks payable to “Scofield Magnet Middle School Student Activity Fund – SMART Team”. All donations are tax deductible.

Please mail your donations along with this form to:

Attn: Mr John Tam, Treasurer
S.M.A.R.T. FLL Team
 c/o Mrs. Carol Walsh, Principal
 Scofield Magnet Middle School
 641 Scofieldtown Road
